**Courses**

**Bachelor of Business Administration**  
(MQA/PA1195)  
The Bachelor of Business Administration programme in collaboration with European University focuses on teaching students how to succeed in today’s business world. It is designed to give students a foundation in business study and increase participant’s management skills by providing the necessary knowledge, tools, and concepts to analyse and solve complex business problems.  

Students will develop dynamic leadership abilities leading to greater effectiveness in a middle management position, and gain an understanding of how a business operates through subject areas of Accounting, Finance, Human Resources, Marketing and Management.

**Specializations:**  
- Human Resource Management  
- Business Management  
- Finance  
- Business Law  
- Marketing  
- Entrepreneurship

**Further Education Pathway**  
Students may continue to study the Master of Business Administration Program with European University or other partner institutions.

**Duration**  
9 Semesters (3 Years Full-Time)

---

**Diploma in Interior Design**  
(PA11308)  
Students will not only develop a real passion and commitment for the arts, but will also be grounded in real life, and be equipped with professional skills.

Interior designers, as qualified professionals, find creative solutions to problems relating to the function and quality of people's built environment. Interior designers coordinate the design and construction of building interiors including commercial and retail office space, laboratories, intensive care units, computing areas, hotel and resort developments, theatres, as well as presentation environments for boutiques and large scale retailers, trade fairs, exhibitions, museums and gallery exhibition and displays.

**Duration**  
6 Semesters
